We had our **BEST YEAR** ever at Texas Image Volleyball in 2011 *thanks to you*. We moved into our 6 hard court and 4 indoor sand court 60,000 square ft. facility. We had over 40 teams during club season, three of which won bids to nationals. Our 14 Mizuno won the American Division National Championship. We saw record numbers of our Image kids, as well as, lots and lots of new players participating in our camps, clinics, leagues, and private lessons over the summer. We can't begin to express our gratitude and excitement at IMAGE'S GROWTH!

**HIGHLIGHTS:** We opened our **new 4 court indoor sand volleyball facility "TEXAS IMAGE SAND"** (the ONLY one in the state of TEXAS) and were proud of the success of our **TEXAS IMAGE SAND** players/teams (congratulations on your many WIN's). We were honored to host the **Terry Liskevych All-Skills Camp** (WOW - not only did these camps fill up but, college coaches from far and wide flocked to work these camps to learn from this great **Olympic Coach** - see you next year Terry). Our **Volleytots** grew in leaps and bounds, the **Junior High Back to School Camps** boasted the **best attendance record yet**, and all of our other camps and clinics saw **record numbers of participants** (*due to our outstanding coaching staff and the quality training they bring to Image*). **New top coaches** have joined our Image staff (we will announce these additions at the parent meetings).

We are **SUPER EXCITED** about the upcoming 2011-12 club season and all the **IMPROVEMENTS** and the **NEW COACHES JOINING THE IMAGE STAFF!!!** So come join us for another exciting club season and be a part of this *growth that leads to shared success*. Remember our door is always open for those wanting to talk about all the new things going on at Image!!
